

Testimonials

 "Steele HR Services was responsible for all our personnel issues when we started up a branch in the UK. They recruited & identified the correct persons as well implemented the required documentation related to HR. The fees were very reasonable. They were professional and efficient. I can recommend them to anybody with a HR requirement"

**P.T., Managing Director
(Generalist HR Support)**

 "Excellent all round knowledge & experience. Highly professional and customer focussed" "Personal commitment to customer's agenda, and capability to provide qualitative and quantitative rationale".

**K.M., Human Resources Director
(Generalist HR Support)**

 "Steele HR Services provided a fantastic personal and friendly service. The support provided during my case greatly reduced the amount of stress and uncertainty that I would have experienced had I tried to handle the case without their involvement and guidance."

**M.T. Retail Manager
(Assistance with a specific Employment Law Matter)**

 "Positive and respected relationship with the employees at all levels. This remained intact even when there was a period of retrenchment"

**M.P. Managing Director
(Employed as HR Manager)**

 "Maintained good communication and remained persistent. Very friendly service, quick and responsive. Even though my enquiry was only of a small personal nature, my enquiries were dealt with very professionally"

**K.T. Office Manager
(Personal Matter relating to my own employment)**

 "Steele HR Services were very professional , efficient and supportive at a very stressful time. They were 100% successful and I would not hesitate to recommend them"

**J.H., Childcare professional
(Assistance with a specific Employment Law Matter)**

 "Enthusiastic about every project. Full of energy. I would certainly seek to use Desleigh Jones in the future"

**D.R. Human Resources Director
(Interim HR Manager, Generalist HR, Project Work)**

 "Steele HR's experience and knowledge of the engineering sector was excellent. I can't fault the service I received"

**W.M., Principal Engineer
(Career Guidance)**
